OMEGA COMPLEX
VOLUME 3: BLAZAR
We're agreed, Mike? Winner of the game takes all?
Seriously, Kama? You're betting everything on a strike? It's gonna cost you big time if you mess up.
I already told you, I believe in my destiny! My victory has been written since the dawn of time!

ART: SHONEN
Massive...
HERE'S MY SPECIAL ATTACK!
SWEEP
De-struction strike!
NO, HE WOULDN'T DARE...
Heh...
AUTHOR'S NOTE: DON'T EVER TRY THIS AT HOME!

Fuck. Bad enough that I'm already broke... You have to go steal my comics too!
Sorry. You played and you lost. Silver Surfer #1 awaits its new master!
But I'll be generous... If we go now, I'll lend you some company for tonight.
STORY: IZU
Ok, ok... But we'll have to go through my parents
KAMA AND MIKE
JUNE 1979
NEW YORK.

Mrs Manhattan
Your food arrangement is as unique as ever...
SCIENTIFIC ADVISOR: ADE
Thank you But it's nothing compared to your drug, Ghost. It's latest iteration really does me good
Please. Let's drop the small talk, dear friends I know you broke into my central computer system. You no doubt have questions for me? Or maybe, you're just after my life?
We owe you a lot, Professor Wood
Without you and your technology, my wife would be...

WOOD, DO YOU REALIZE WHAT GHOST REPRESENTS? YOU'VE MADE ME INTO A MONSTER! EVEN IF I SURVIVED THE RADIATION, I CAN NO LONGER LOOK MY HUSBAND AND SON IN THE EYES!
We're not idiots Your men are waiting for your signal to jump on us
THIS IS THE OMEGA PROJECT THAT'S SUPPOSED TO SAVE HUMANITY?
SHRAK
THIS IS WHAT MY HUSBAND AND I HAVE BEEN WORKING FOR ALL THESE YEARS?

The nuclear war, the radiation
WHY? WHY?
TAM
You know, don't you? Why beat around the bush?
You had Ghost from the beginning. You just had to irradiate the population for it to be effective so that you could create your army of invincible soldiers! That's the Omega Project's true goal!
DON'T PLAY DUMB! YOU UNDERSTOOD VERY WELL WHO I AM AND WHERE I COME FROM.
I don't have time to play with you. Your son is under surveillance. If you continue to create problems, we'll take care of him.
I know your little secrets too--little by little, you turn my best knights by telling them what you think is the truth, so that they quit the army and participate in your fight. No matter, actually...

You wouldn't believe me if I told you.
Kama? What... Have you done to him?
See you tomorrow at the lab. Thank you for this delightful evening
Nothing... So far. In fact, Kama is very precious to me.
But why do all this? For the power? The money?
TECHNICAL ADVISOR: NOLA

Brace yourself. My father gets a little nervous when I bring people home.
What do you mean "nervous"?
Like *Galactus* coming off a months-long diet!
So, those comics coming, or what?
You're kidding, right?
Hahaha! You'll judge for yourself.

What's happening? Did Mom have a relapse?
I TOLD YOU NOT TO HANG AROUND WITH PEOPLE WHO TAKE GHOSTS! IS THAT WHY YOU BROUGHT HIM HERE? TO GIVE HIM YOUR MOTHER'S MEDICATION?
Your mother's fine, Kama. We just have a few problems with work. Nothing big
NO... IT'S NOTHING LIKE THAT! I JUST HAVE TO LEND HIM A FEW COMICS! HE DOESN'T EVEN KNOW WHO YOU ARE AND WHAT YOU D--

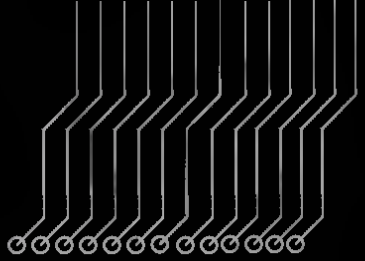
MIKE?!
PUW

DAD?
NO!!!
KAMA!!!

I simply let this Mike know that Kama's parents had Ghost at home. He'll be arrested, and that's what he'll say. Nobody will link this murder to the couple's scientific activities.
That's a hell of a power--deciding who'll live or not without ever lifting a finger.
I could've killed them from the beginning. Wood. Why this production with the drug addict?
I had to know exactly what they'd learned about the Omega Project. Why dirty our hands and run the risk of an investigation?
Shit... What have I done?

STOP TALKING! I'M GONNA CALL FOR HELP AND TAKE CARE OF YOU!
Kama... You've been irradiated... You need to go to your godfather McNamara... He'll give you Ghost so you'll survive your injuries...
DAD... HEY... STOP KIDDING AROUND, DAMN IT!
It's too late for us... He... Got us... In my pocket... Quickly...
Always keep it with you... One day... It'll... It'll save the world!
What...?



Omega Complex

Chapter 9

Previously, on Omega Complex...

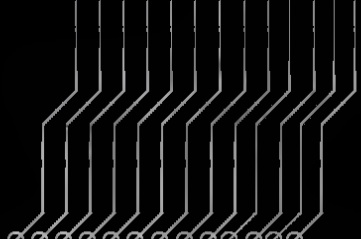
U.S.A, 1987.

Seven years after the nuclear war with Russia, the United States is slowly rebuilding itself...

To fight against the effects of the radioactivity, a medication, G.H.O.S.T (Gray Human Omegon Synthetized Treatment), is distributed to the population. Its side effects turn some of the sick into actual mutants: Eryns.

The most powerful among them are recruited to serve the government of the current president, Wood: they form The Order of The Knights of Omega. Thanks to them, the president intends to carry out his plan initiated during the nuclear conflict: The Omega Project.

Kama and his team are after Ananke, terrorist and daughter of President Wood, who stole an extremely deadly bomb. Trained by the renegade knight Yoshitsune no Sho, Kama faces many dangers in order to prevent the Tsar Bomba from exploding. After a difficult duel against the Knight Stigma, the worst finally happens, however...



KAMA:
KAMA IS AN ERVN, BUT ALSO AN EASY-GOING AND CRAFTY BOUNTY HUNTER. INVOLVED DESPITE HIMSELF IN THIS RACE AGAINST THE BOMB, HE DISCOVERS THAT HE IS A "PULSAR", THE STRONGEST EVOLUTION OF THE ERVNS... WITH YOSHITSUNE'S HELP, KAMA LEARNS LITTLE BY LITTLE TO CONTROL HIS IMMENSE POWER, CAPABLE OF DESTROYING A CITY IN THE BLINK OF AN EYE.

SHO NO YOSHITSUNE:
FORMER KNIGHT OF OMEGA CUM RENEGADE AND DESCENDANT OF THE SHO CLAN. HE WAS ONCE SARA THE DARK'S LOVER AND HOLDS A SERIOUS GRUDGE AGAINST STIGMA, WHO TOOK AWAY HIS LOVED ONE AND KILLED HIS MASTER. HE OWNS MANY SWORDS WITH INFINITE POWERS, WHICH HE USES DEPENDING ON THE SITUATION.

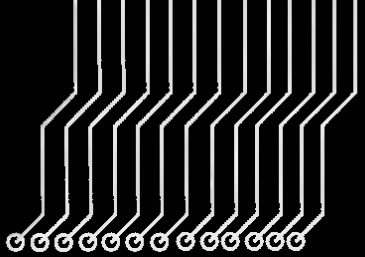
STIGMA:
FORMER KNIGHT OF OMEGA, HE ALSO REBELLED AGAINST WOOD. HE'S A VERY MANIPULATIVE MAN AND EXTREMELY POWERFUL. HIS ULTIMATE GOAL IS TO CARRY OUT A COUP D'ÉTAT AGAINST THE AMERICAN GOVERNMENT...

KAHN:
KAHN IS ONE OF THE RARE FIGHTERS IN THIS STORY WHO ISN'T AN ERVN. INITIALLY, UNDER SARA THE DARK'S ORDERS, HE JOINS KAMA'S TEAM TO KEEP AN EYE ON THEM. BUT HIS REAL MISSION IS TO GIVE YOSHITSUNE A MESSAGE FROM SARA, MAKING HIM A DOUBLE AGENT.

SARA THE DARK:
SARA IS FIRST AND FOREMOST A FORMIDABLE WARRIOR. BEING THE MOST POWERFUL ERVN THERE IS, A "PULSAR", SHE ATTAINED THE TITLE OF KNIGHT ALPHA, THE HIGHEST RANK IN THE ORDER OF THE KNIGHTS OF OMEGA. SHE WORKS FOR PRESIDENT WOOD AND LEADS THE SHADOW SQUAD, AN ELITE TEAM TASKED WITH TRACKING THE SEVEN RENEGADE KNIGHTS.

ANANKE:
WE DON'T KNOW A LOT ABOUT HER YET, EXCEPT THAT SHE'S PRESIDENT WOOD'S DAUGHTER, COME FROM THE FUTURE TO SAVE THE WORLD BY STOPPING THE OMEGA PROJECT!

WOOD:
PROFESSOR WOOD IS THE OMEGA PROJECT'S CREATOR. WE DON'T KNOW HIS REAL INTENTIONS, HOWEVER, AND HYPOTHESES ON THE SUBJECT ARE NUMEROUS. HE SEEMS TO ALWAYS ANTICIPATE THE THOUGHTS AND ACTIONS OF HIS ENEMIES, ALL WHILE STAYING OUT OF ARM'S REACH HIMSELF...



SONIA:
SONIA IS THE GRANDDAUGHTER OF PROFESSOR MCNAMARA, KAMA'S GODFATHER. A 13-YEAR-OLD TEENAGER, SHE IS VERY RASH AND EMOTIONAL. HER YOUNG AGE DOESN'T STOP HER FROM BEING AN ELITE SHARPSHOOTER AND A WILLING WARRIOR.

ANGIE:
PULLED INTO THIS ADVENTURE BY KAMA, SHE ENDS UP FALLING IN LOVE WITH HIM BEFORE BEING KILLED IN THE TSAR BOMBA EXPLOSION.

MC NAMARA:
KAMA'S GODFATHER IS A PROMINENT RESEARCHER WHO PARTICIPATED IN THE OMEGA PROJECT'S CREATION. WHEN HE REALIZED WOOD'S INTENTIONS, HE ESCAPED AND WENT INTO HIDING, ALL WHILE RAISING HIS GRANDDAUGHTER. JUST BEFORE KAMA TRIES TO FIND HIM, HE IS TAKEN AWAY BY SARA THE DARK.

SHO NO'S SEVEN SWORDS ARE BIO-WEAPONS. YOSHITSUNE ONLY HAS TO SUMMON THEM FOR THEM TO MATERIALIZE. THEREFORE, HE ALWAYS CARRIES THEM WITH HIM AND CAN CHANGE THEIR APPEARANCE AT WILL. EACH OF THEM COMES FROM A LEGEND OR SPECIFIC MYTHOLOGY, WHICH GIVES EACH THEIR NAME... AND POWER.

LIST OF THE SWORDS PREVIOUSLY USED BY SHO:
1- KUSANAGI NO TSURUGI (ENERGY AMPLIFIER)
HELD BY KAMA SINCE VOLUME 2.
2- EXCALIBUR (ALLOWS THE CONTROL OF METAL)
HELD BY SHO NO SHITSUNE
3- COLADA (PROTECTIVE SHIELD)
DESTROYED BY THE TSAR BOMBA EXPLOSION IN VOLUME 2.
4- TIZONA (DESTRUCTIVE EXPLOSION)
DESTROYED BY THE EXPLOSION AT ROCAMADOUR IN 1979, IN "SHO'S CHRONICLES", VOLUME 1.
5- BALMUNG (CONTROL OF MUTATIONS)
HELD BY STIGMA SINCE 1980, VOLUME 2.
6- MARMIADOISE (REGENERATES GREY LEVELS)
HELD BY SHO NO YOSHITSUNE.
7- DURANDAL (?)
THE ONE CALLED "THE FORBIDDEN SWORD" SHOULD HAVE BEEN DESTROYED BY SHO NO KOTARO.

Sara s sure that he's here? I don't feel any Eryn presence... It's only a godforsaken slum in the middle of nowhere. Her mission in Russia must have fried her brain.
Exactly. It s the perfect hideout for a renegade knight. There are lots of people, and it's a zone outside Ghost s jurisdiction..
Hmm... The knight of the letter DiGamma fled the army in 1980. Since then, he s been playing Robin Hood to the most impoverished.
Let's say so... but what do we know about him, Kahn? You lead us here while keeping all the information to yourself!
...And Sara the Dark is never wrong!
That would explain why he s hiding out in this hole!
His power is based on ultrasound. He uses the sonication principal to transform electrical energy into mechanical energy. In short, he can modify your brain cells without you noticing it.

After him, there'll only be Stigma left, and we'll finally be rid of the seven renegade knights and their damn conspiracy!
A newbie again! Nothing too tough for Sara the Dark's crack team!
SUNDAY, FEBRUARY 19TH, 1990 THREE YEARS AFTER THE TSAR BOMBA EXPLOSION AT MOUNT MITCHEL.
Captain Kahn, according to our radiation readings, there's only one human being who's emitting 0 gray within a 12km² radius.
Kama, you lead team B to take him from behind. No messing around on this one--no one engage in combat without my signal.
Perfect. Only a high level Eryn can completely mask his radiation...

Grandpa! You're overdoing it.
OMPH
Haha. It's just a cold, don't panic. I'll be ready for a soccer game with you as soon as you've taken all of your Ghost!

What's going on?
Careful... Some... Some abnormal disturbances in the sound waves
We'll play a funnier game than soccer, kids. It's called 'hide-and-seek'. When I give you the signal, you all run and hi--
WHAM

Shadow Squad Alpha, awaiting your orders.
I'm in position for the electron bomb, anytime.

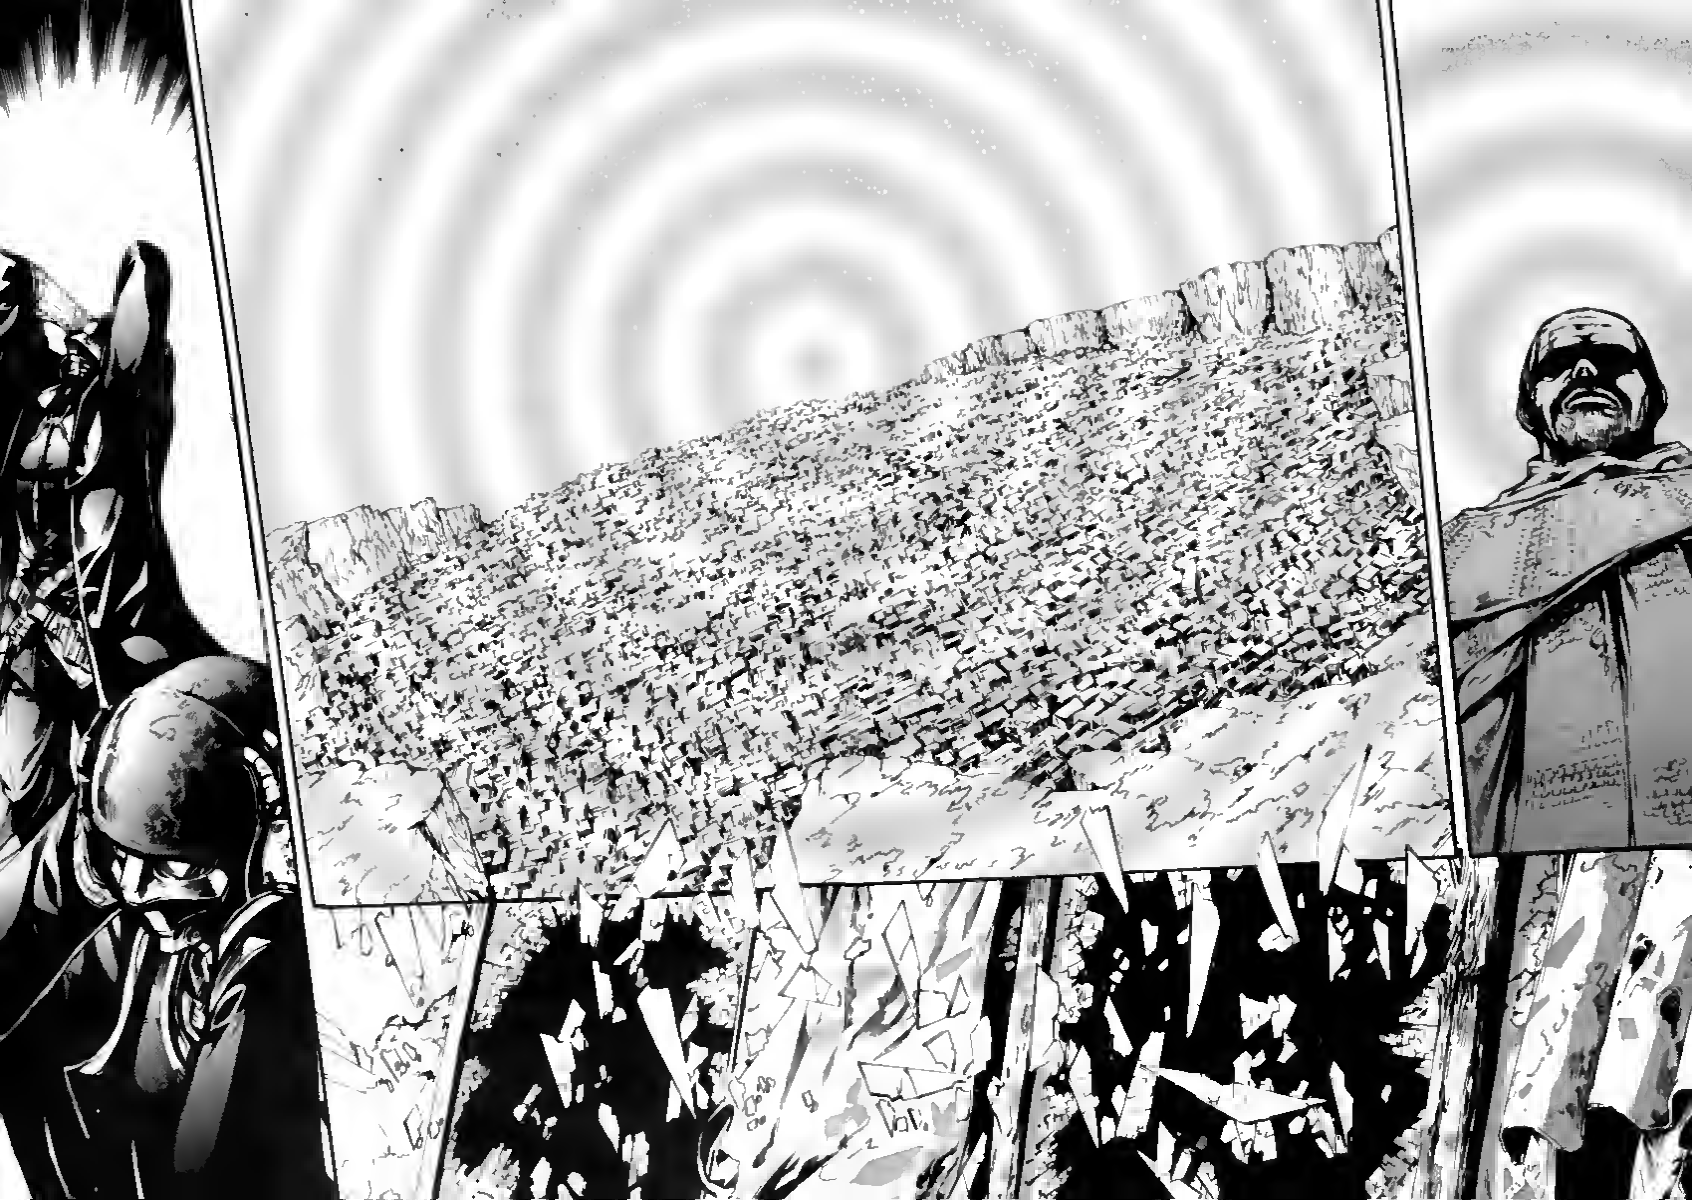
HOLY SHIT!

SHIT.
Sonication...



ARGH..
You're hungover?
Damn it. I didn't think he'd take the risk of attacking us with kids right next to him... Our plan fucked up!

Not necessarily. If the children hadn't been there, we'd all be dead
He adjusted his ultrasound to our radio frequency. Only our soldiers, who wore their helmets, were hit. But to do that, he must no doubt have lowered the level of his attack.
Fuck, the whole team...
CRASH
OMPH!

Hey, you didn't need to shake him like that.
It isn't DiGamma's fault if this fool Kama didn't fall asleep with the ultrasound!
Absolutely. We have six hours before the satellite can cover this zone again or your men wake up from the little nap I prescribed for them.
You think we're really "invisible"?
Not bad, your playacting. The children are good too!
It's thanks to Sara's script! Wood will believe that I fried your devices to avoid harming the children.

Don't claim victory too quickly, Sonia. All the pawns are in place to definitively destroy the Omega Project, but the hardest part is yet to come.
In any case, Kahn, Sara's plan worked as planned. It's nice to see you again!
Well... We just have to give our Kama a little of his memory back, otherwise, he won't be very useful.
Ananke, stop making that face! He doesn't remember Angie anyway! He can't hold a grudge against you!

But my true mission is very different. Sara knew that Kama would cross paths with you sooner or later, and she charged me with giving you a message.
I quit the special organization three years ago to serve under Sara the Dark in the Shadow Squad. Officially, I was supposed to tail Kama and his gang and keep them as hostages so that the army could put pressure on McNamara.
Watch what you say next, boy
When Sara joined Stigma it was to protect you. You always knew it. But she never joined Wood's side. She wanted to learn as much as possible about the Omega Project.
Sara's a very sensitive subject for me!
And today, she has a strategy to destroy him, of which you and your team are part!
TAP
SHO AND KHAN.
PIEDMONT REGION, NORTH CAROLINA.
FRIDAY 9TH JANUARY 1987

CRACK
Sara abandoned her humanity long ago. Just like her feelings for me. Your vain attempt to manipulate me has failed, Kahn. You're going to die.
She said that after saving the world, she'd cook you your favorite meal. Spaghetti Bolognese!

I'm listening.
What you and Sara knew back then was that Wood had created Ghost to save people from radiation, but also to turn others into monsters in order to use their strength to take power.

The Omega Project was in Wood s head well before the nuclear war. Worse still: he s the one who caused it! He entered Kennedy s service at the beginning of the 60s to manipulate him and trigger the conflict. You know what followed--millions of deaths and billions of irradiated survivors
The best "breeding ground" to make use of Ghost.
Sara captured McNamara solely to obtain information on the subject--he'd worked with Kama s parents the Manhattans who were the first to discover the truth and paid for it with their lives
Exactly. After making a maximum number of people dependent on Ghost, he only had to keep the best!

KAMA, SHO, ANANKE,

I'LL KILL YOU!

YOU'LL PAY FOR ANGIE AND ALL THOSE WHO JUST DIED BECAUSE OF YOU!
ARGH...
Her? Impossible!
Well, it's about time

Sorry, OtGamma. I brought you along to make the soldiers forget that we'd came, but it seems that dear Kama needs your help too... We can't afford to lose Ananke!
